**Cathedral
High School**

Digitized by the Internet Archive
in 2026 with funding from
Boston Public Library

Cathedral High is not just the average private high school. It's a **college preparatory** institute who's faculty and staff assure a promising future for each student. It's a place that provides a **secure** and **exciting** learning environment. Once you are here, leaving becomes impossible. You're apart of a family. You have a sincere love for the

Cathedral community and your **CHS PRIDE** cannot be hidden. Those

smiles on the faces of students and **teachers** display the obvious satisfaction of being apart

of this **family**. They're seen in the **classrooms**, on the field, on the track, on the court, at the games, and various school events. These cathedral influenced **smiles** remain on the faces of scholars that have achieved great **accomplishments** after graduating Cathedral High. Current CHS **students** are preparing to **achieve** great accomplishments and **GOALS** in their future as well with the **love** and help of the teachers, administrators, coaches, and one another.

Being at CHS guarantees **SUCCESS!**

IT'S NOT ABOUT THE

THE JERSEY, IT'S ABOUT
THE NAME ON THE FRONT

CHEERLEADING is not jumps, yelling, skirts, pom poms, and bows. It's a sisterhood, a support system, and a confidence builder. Everyone needs a cheerleader in life, whether they're wearing a bow or not.

2014 CAPTAINS

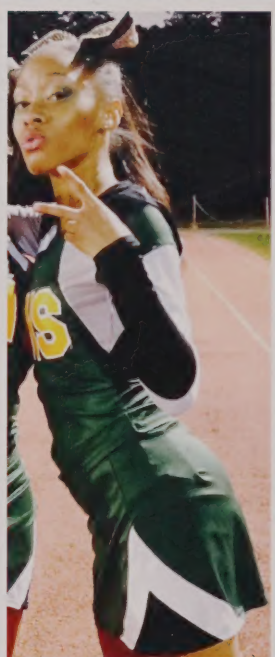

"Cheerleading for the panthers has been one of the most amazing experiences. I have made memories that will last forever and met my second family along the way."

-Brittany Goncalves

"It was fun and I made memories and friends that will last a lifetime."

-Tori Blot

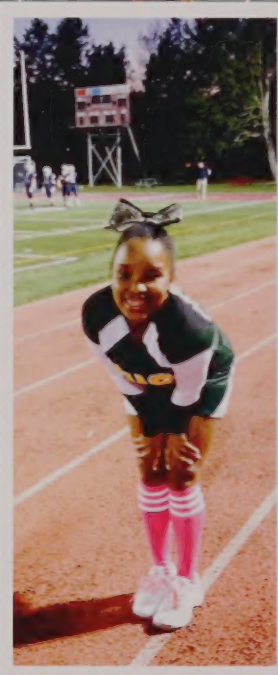

"Cheerleading has been a second-home family and sisterhood to me. It has helped me grow and learn as a person and in general has made me better. I can walk away after graduation knowing that I can be myself and know that I stand out as a person no matter what."

-Anaija Hardmon

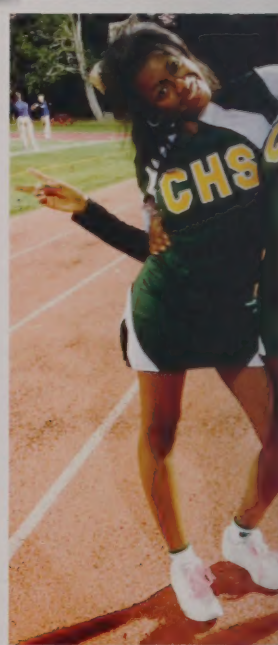

"It was a great experience. I made lots of friends, that I can consider my second family and made memories that will last forever."

-Simone Sawyer

"Becoming a cheerleader sophomore year as a transfer student was not easy. But it was something that empowered me and gave me confidence. Returning to cheering as a senior and becoming a captain taught me life lessons and strengthened my bond with my sisters. My love for being a Lady Panther will last an eternity."

-Rhiana Parham-Ferrell

this is.... journey

Cheering runs through our veins. It is something within us that no one can ever take away. All those practices that left us sore. All the yelling we did for our brothers on the field, that left us without voices. All the Saturday nights games that took our weekends for the first 3 months of school every year. Getting yelled at by our Coach until we got it right because she knew the ability and potential was in us. This was all worth it in the end; because this experience was one that cannot be mirrored. It isn't, nor was it ever about the skirts, or the bows, or the makeup. We cheer to support. We cheer to display our love for being apart of an amazing family of Cathedral Panthers. We cheer to release stress. We cheer because it's fun. Because we do it best! Because the guys can't! Because no matter how eager we want to tackle our rivals, we can't play football! Being a Lady Panther is something we will all cherish forever!

"Love Those Panthers!!"
